- "Baruch Sheamar" which means "Blessed that (God) said" and the follow-up verse is "and the world came into being."

This prayer is said every morning.

- "Nishmat kol chai v'tivarech et shimcha" which means "The soul of all living things blesses your name."

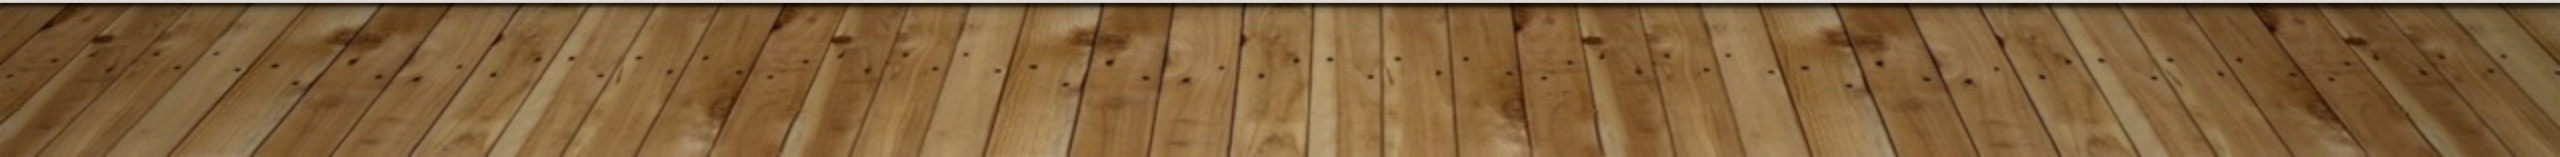

This prayer is said on Sabbath and Holiday mornings and at the Passover seder.

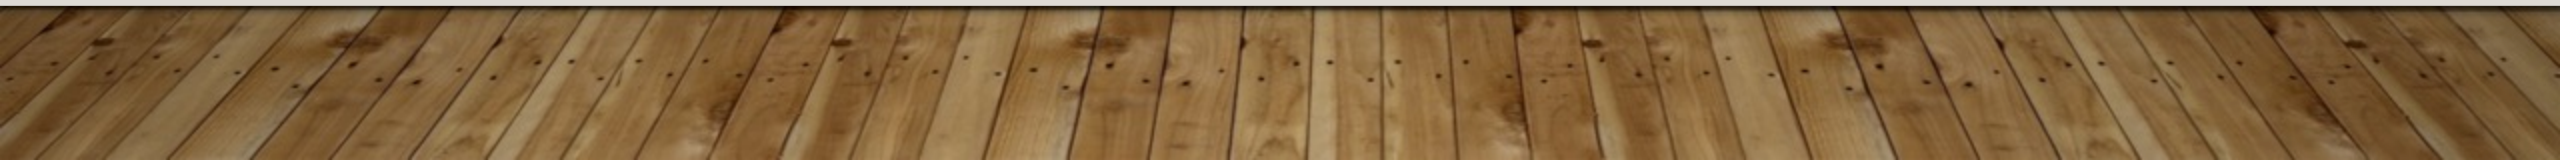

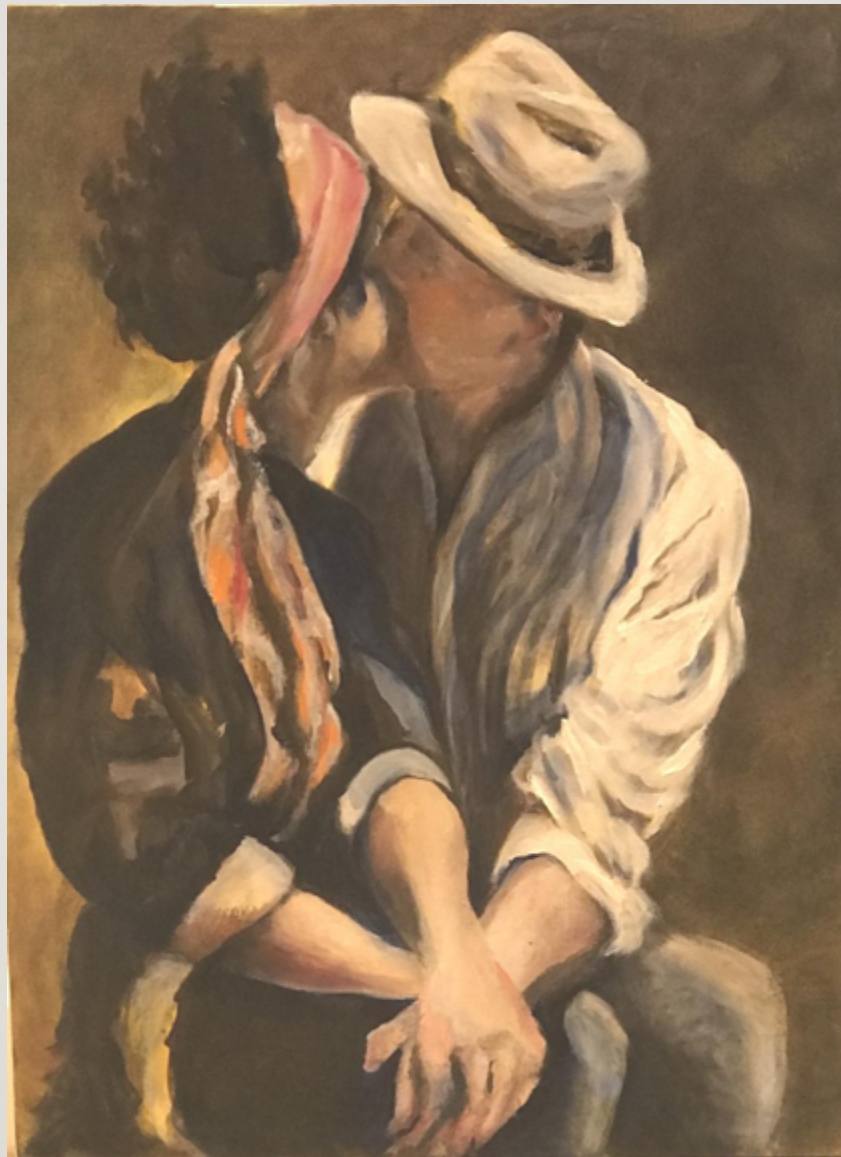

- I did them freehand (my own design that I made up as I went along) from left over tapestry and embroidery threads.

TINA WAN

[HTTP://WWW.YOUTUBE.COM/C/CURIOUSBEINGBYTINA](http://www.youtube.com/c/curiousbeingbytina)

My name is Tina Wan. I recently started my YouTube channel “Curious Being”.

I intend to share interesting and thought-provoking information on lesser-known topics, such as why ancient giant stone structures around the world share the same tool marks, whether there were prehistoric advanced civilizations that existed, etc. I think by studying our past we can gain a better sense of ourselves, our heritage and the current world.

Descriptions for individual videos are as follows:

1. World's Largest Monolith Yanghsan Monument Created by a Lost Ancient Civilization?

<https://youtu.be/SP5RwRkkn2k>

2. Tool Marks on World's Largest Monoliths Match Modern Machine Marks

https://youtu.be/4iZTr_ZJA5g

3. Massive 2000-year old Longyou Caves Created with Machines?

<https://youtu.be/qq5R8x29NRE>

4. Ancient Longyou Caves: Thousands of Year Old Mystery Solved?

<https://youtu.be/VVJTCaBsUHs>

5. Enduring Mysteries of the Huashan Grottoes

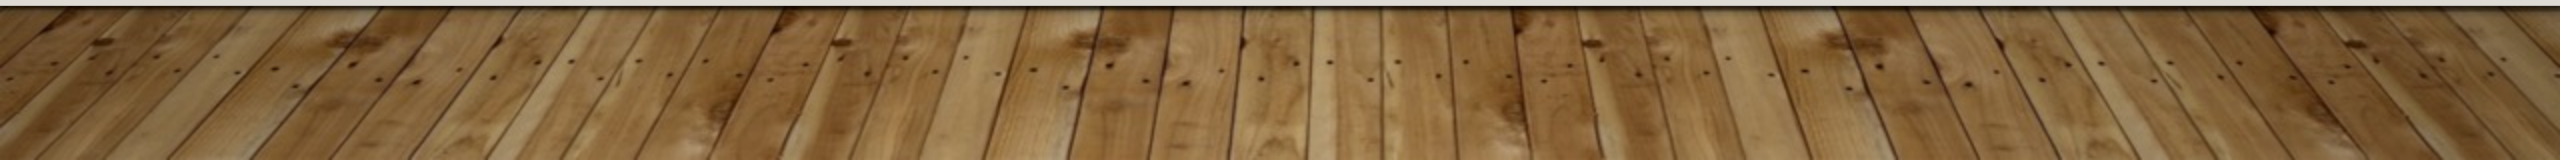

https://youtu.be/De9qc_lqo5w

6. Massive Chinese Cave System could be an Ancient Residential Complex?

<https://youtu.be/qwzgaBpXa28>

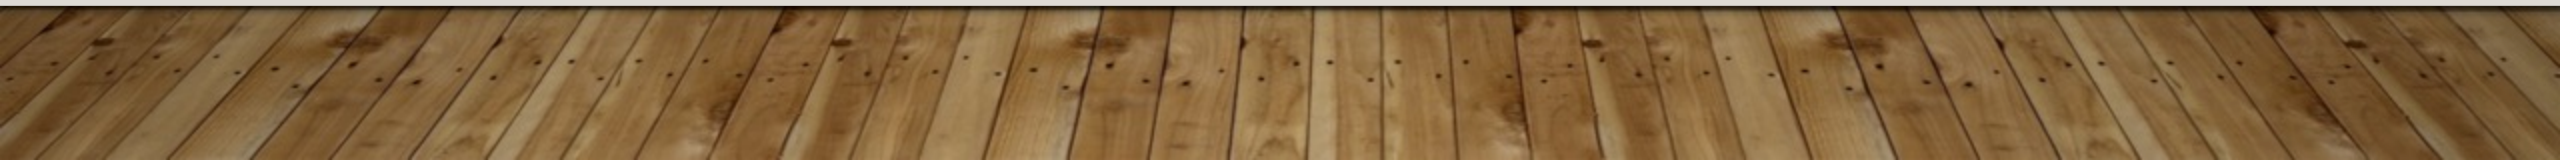

7. Was this Ancient Royal Tomb a Prehistory Megalithic Site Built by a Much Older Civilization?

- My masks are made from 100% cotton fabric with a SEWN-IN FILTER layer of NON-Woven Polypropylene. This filter acts as a water barrier to contain your germs and not let other's germs get through! The masks can be made over the HEAD or EARS. Let me know which you prefer, or I will make the mask with over the head elastic.
 - There are 4 Sizes and over 150 fabrics to choose from. My masks provide comfort, a great fit, a nose wire and the polypropylene layer or protection.
 - I will offer Waubeekans who live up here at the lake 20% off using code WAUBEEKA and I will deliver them to you. If I have to mail the masks postage will be charged.
 - I hope to have more than masks up there one day!
 - Stay safe out there and don't forget to wear a mask!

THANK YOU

Thank you to the generous Lake Waubeeka artists who shared their work this year.

Without their work and your interest this could not be possible.

Also, a thank you to the Lake Waubeeka board for supporting this event for the past 12 years.

We hope next year, we can once again share in the Coffeehouse & Art Show together and in-person. Until then, stay safe and enjoy your summer!
